New York, September 21.—A Times' pecial says Gov. Orr has written a letter to Gen. Sickles since the latter was relieved, in which he expressed deep regret at the president's course, and naquali-fiedly indorsed all the measures of Gen. It was reported early this morning that Kirby had been arrested, but it lacks confirmation. It is surprising how speedily the mob was dispersed and quiet restored after the rescue was affected. The outbreak having taken the government by surprise, a strong force is being mustered to prevent further demonstrations. One policeman is reported to have died last night. It is impossible to tell how many lives were lost in the affray. Several persons were badly injured, and probably the dead were carried off by the West Tennessee, Mississippi nob. It is thought the mob had frie in jall who kept them informed of the movements of the police and prisoners. DUBLIN, September 20.—Capt.
